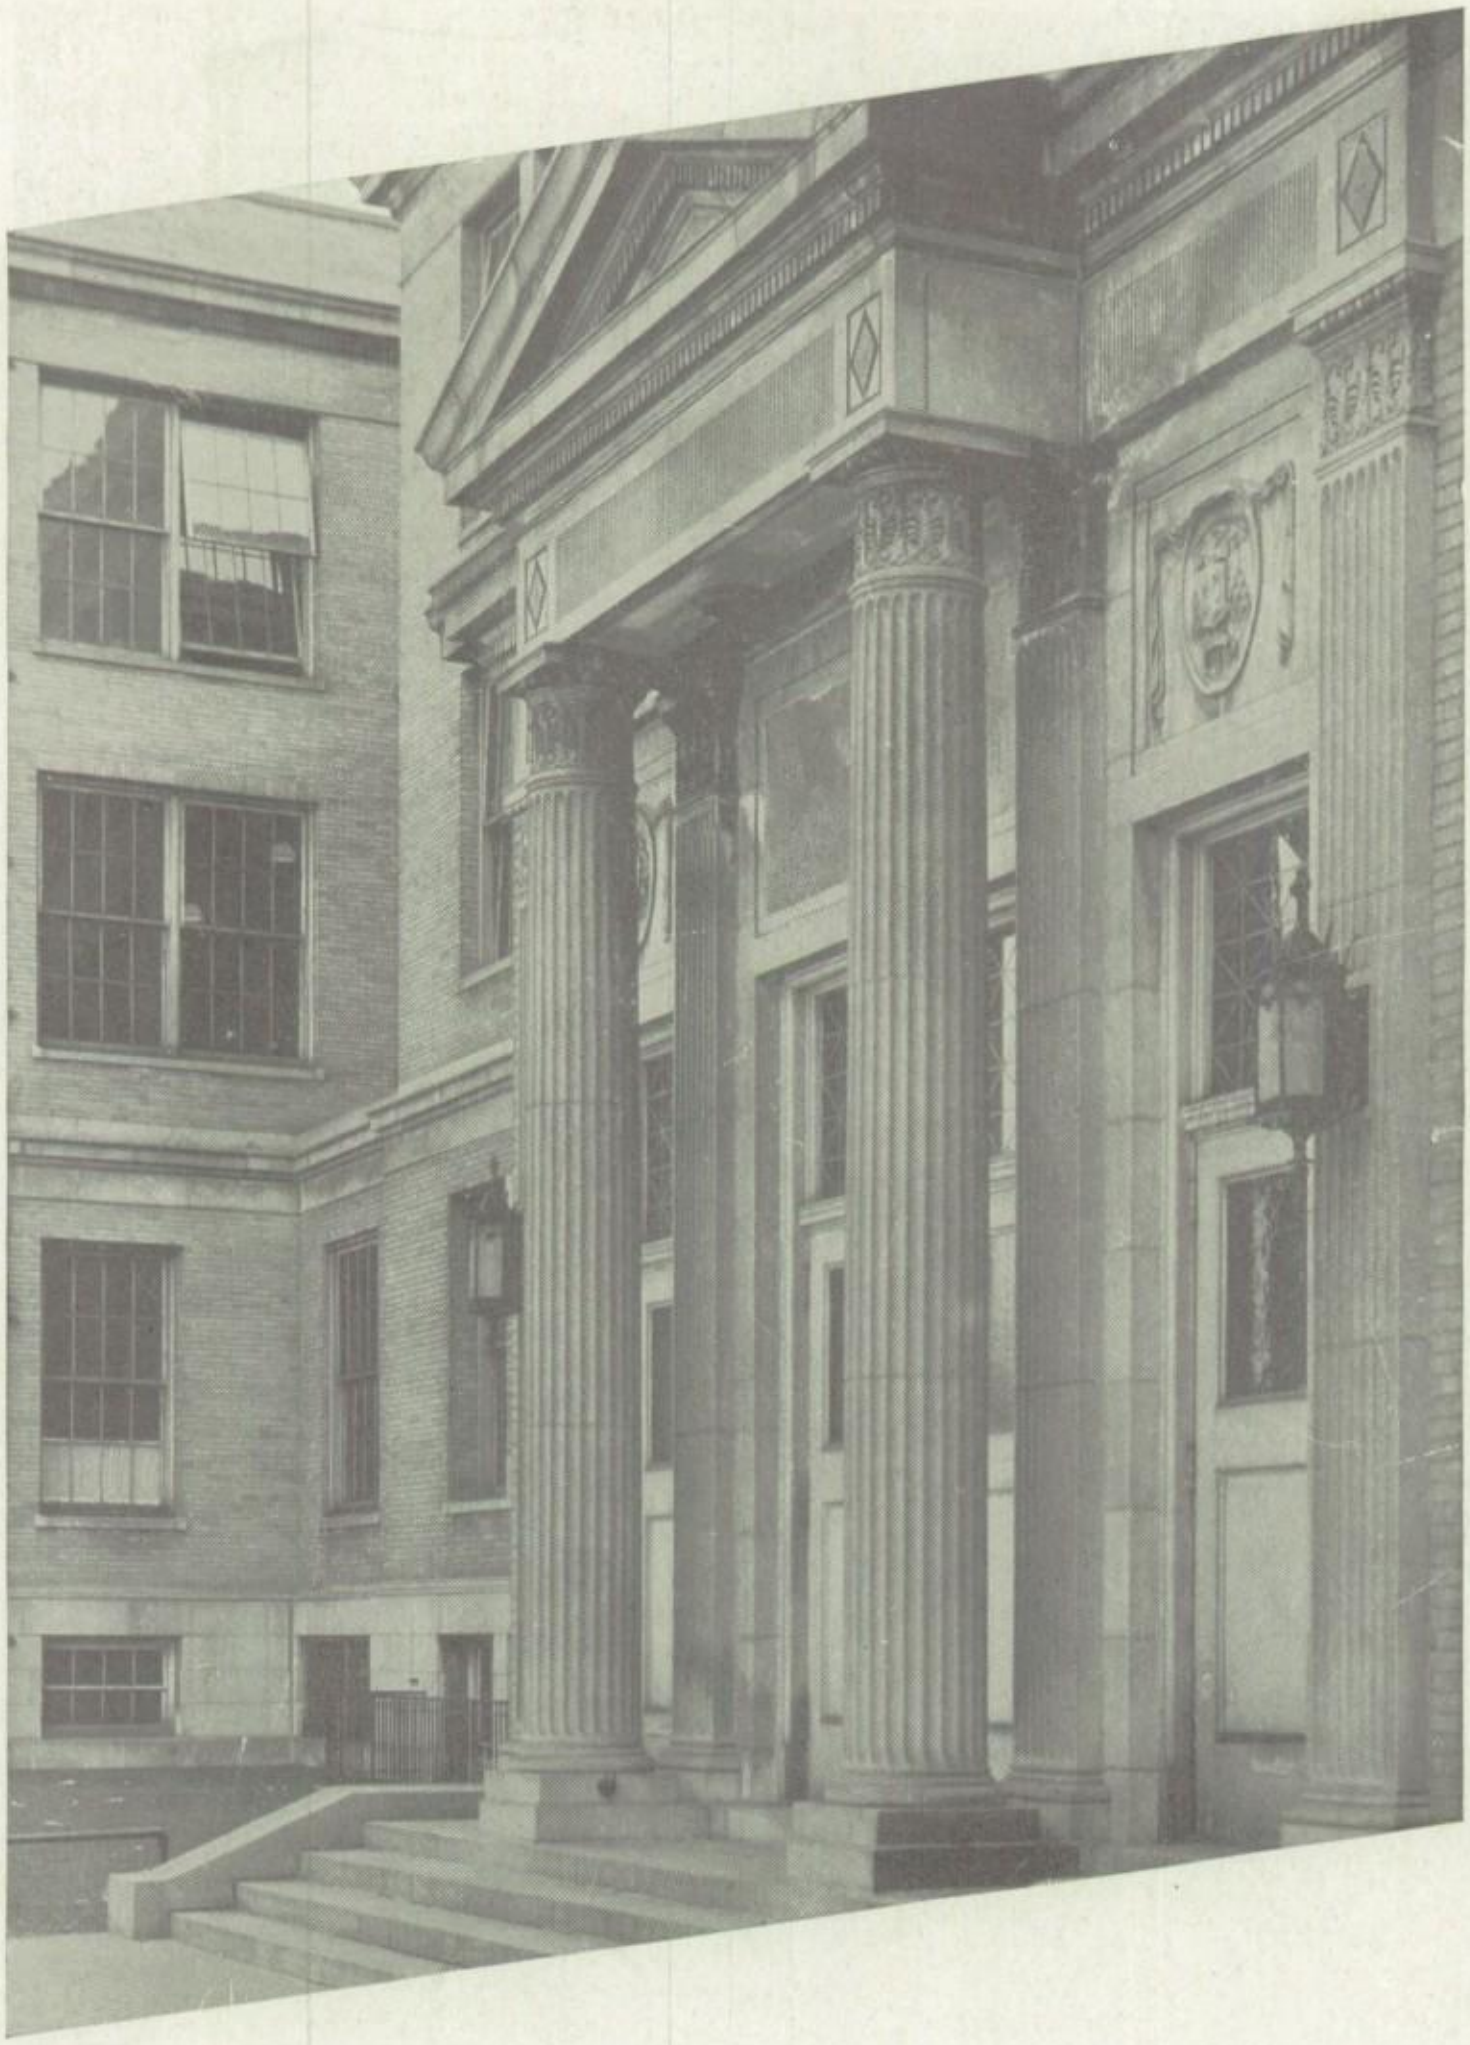
OUR ALMA MATER



LEO HIGH SCHOOL

FOR GOD

1. There is no room for the violation of the freedom, integrity and security of other states no matter what may be their territorial extension or capacity for defense.

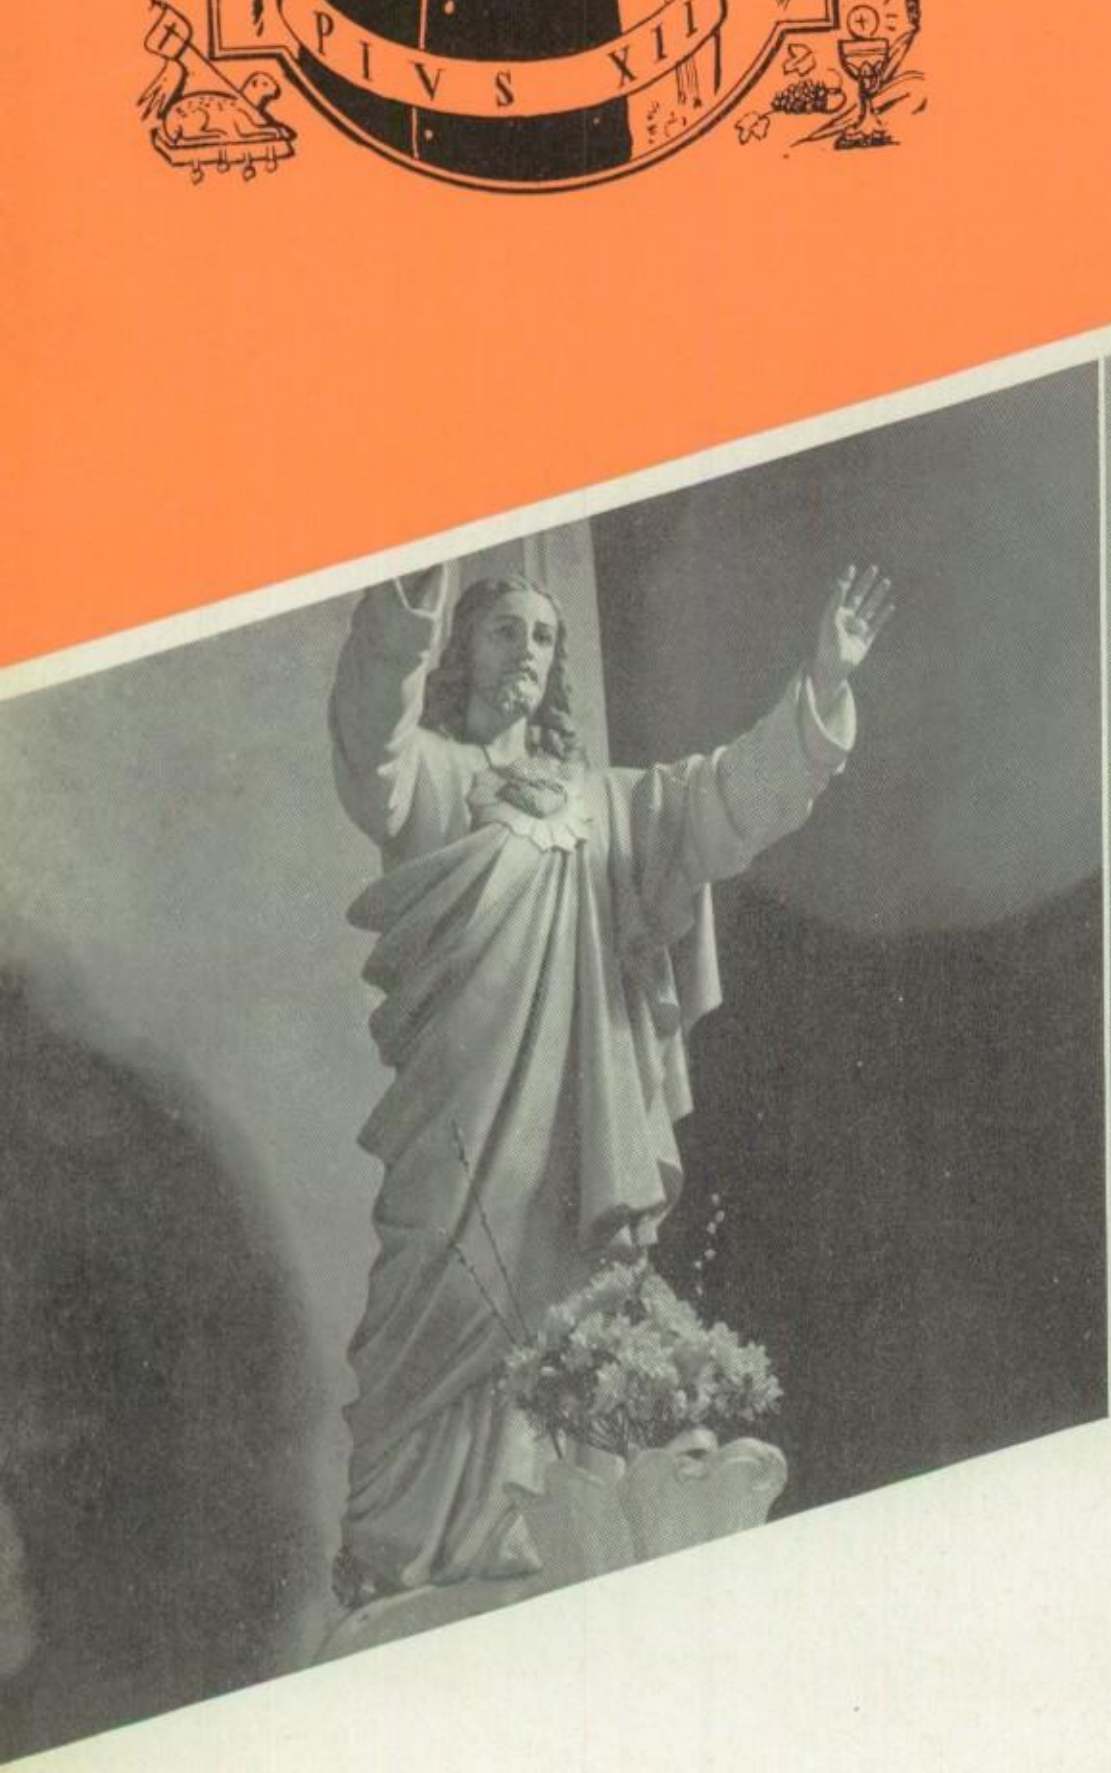
2. There is no place for open or occult oppression of the cultural and linguistic characteristics of National Minorities for the hindrance or restriction of their economic resources, for the limitation or abolition of their natural fertility.

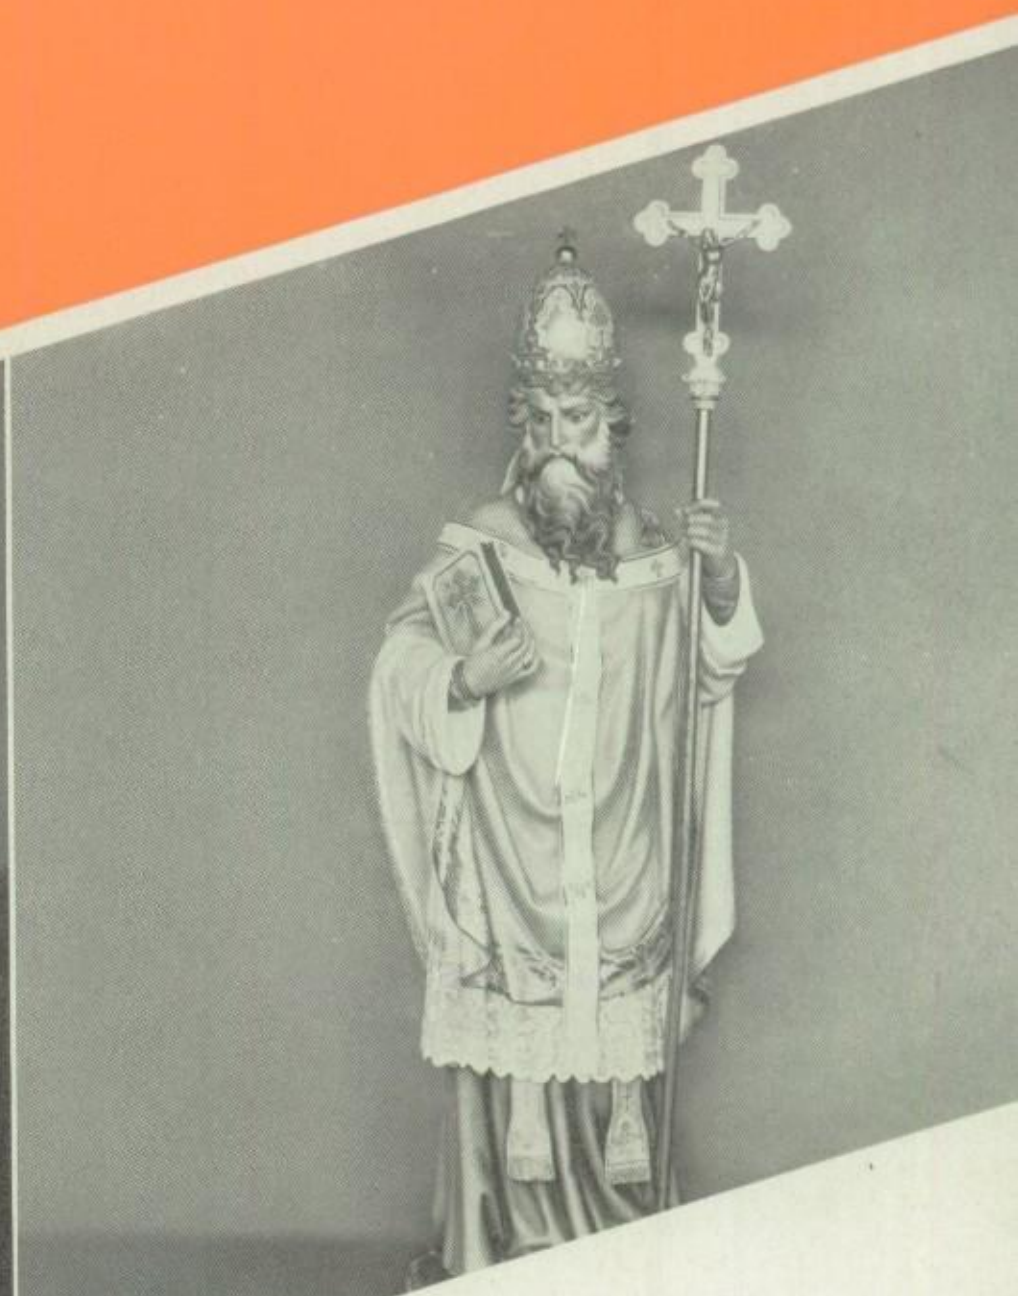
3. There is no place for that cold and calculating egoism which tends to hoard the economic resources and materials destined for the use of all.

4. There is no place for a total warfare or for a mad rush to armaments.

5. There is no place for the persecution of religion and of the Church.

Pope Pius XII.



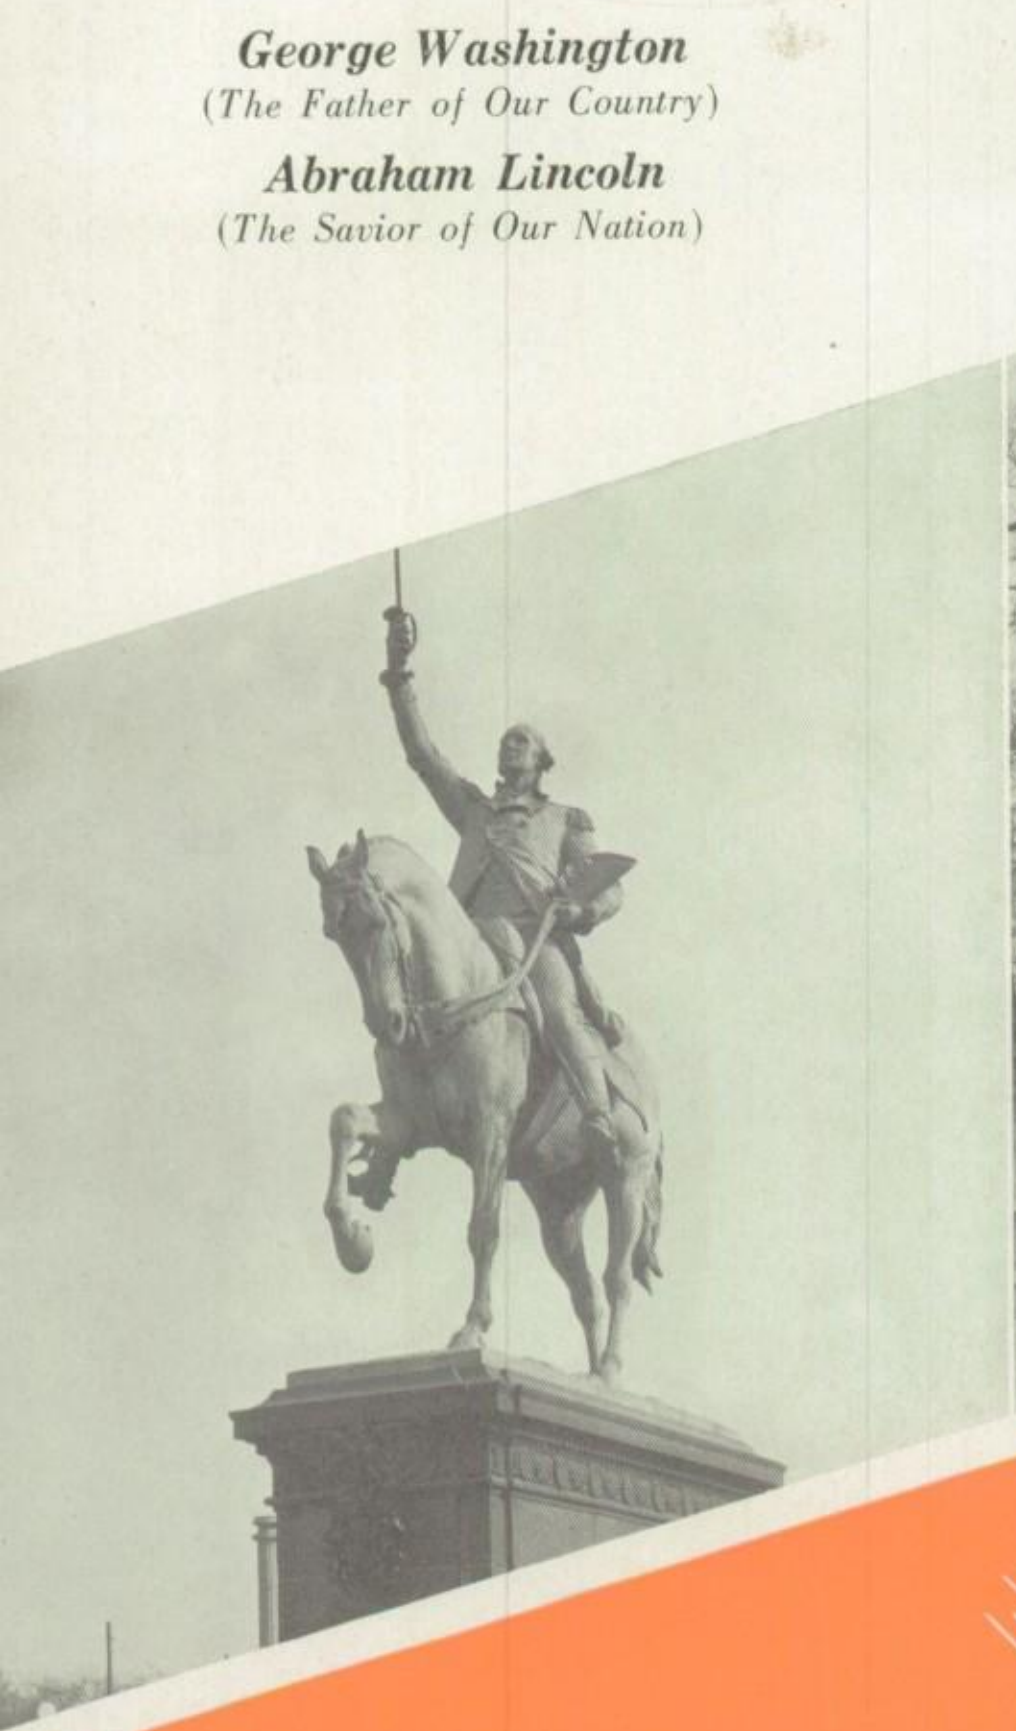


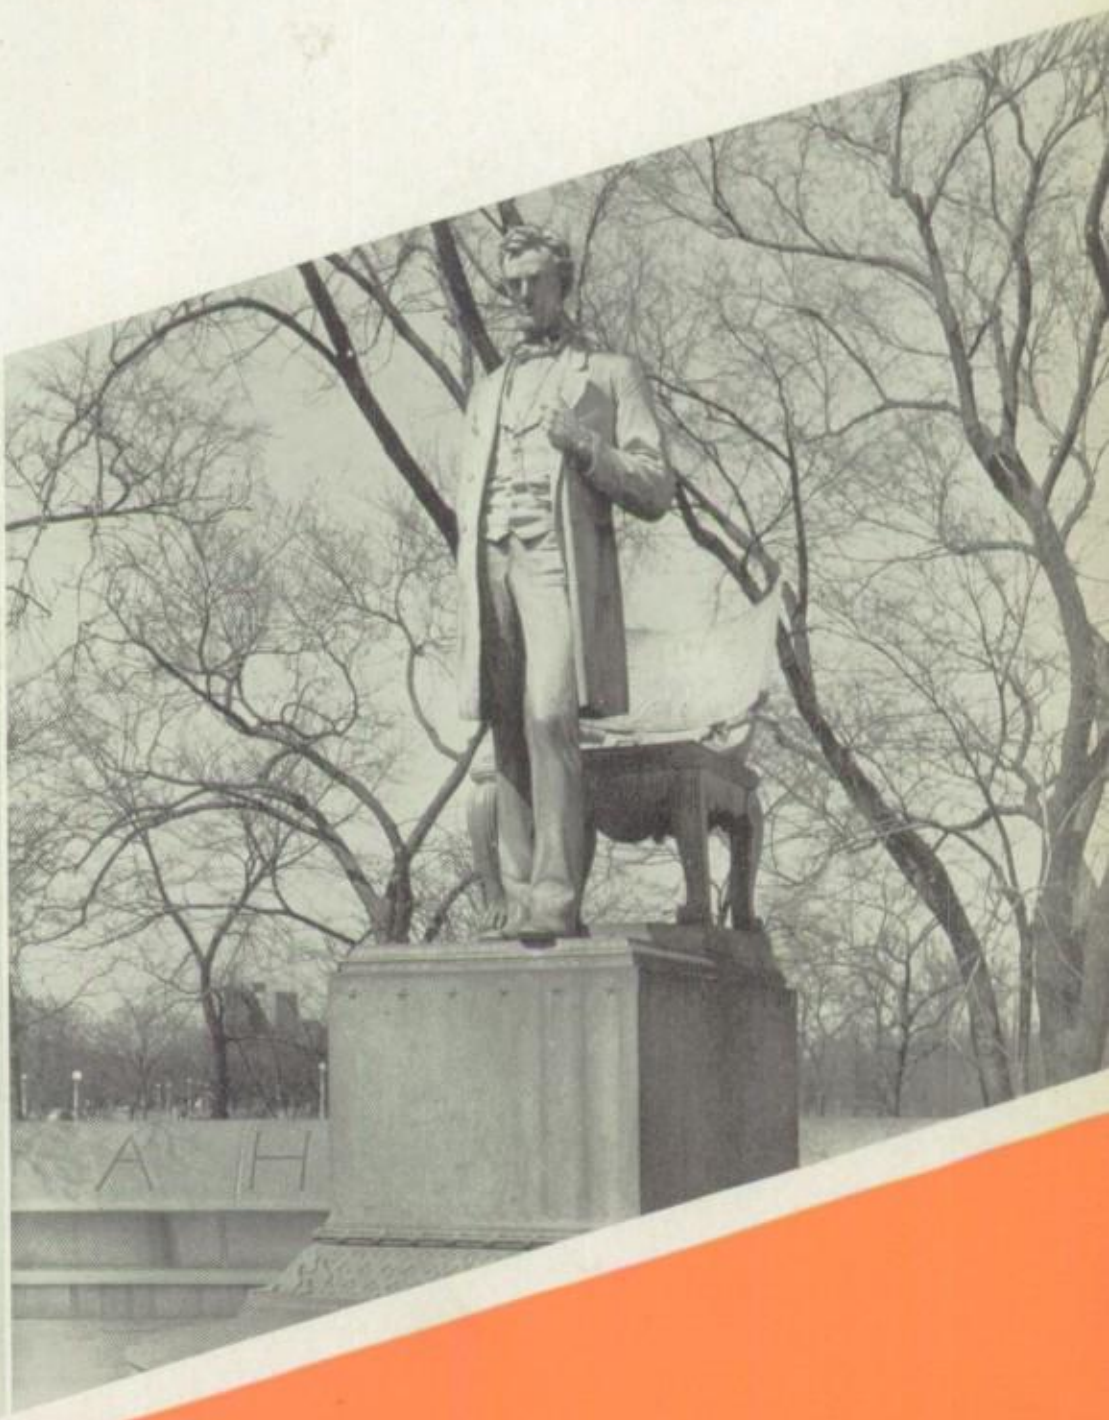
The King of Kings
(The Redeemer of the World)

Pope St. Leo the Great
(The Patron of Our School)

George Washington
(The Father of Our Country)

Abraham Lincoln
(The Savior of Our Nation)





FOR COUNTRY

"Not all of us, can have the privilege of working in a munitions factory or shipyard, or on the farms or in oil fields or mines producing the weapons or the raw materials which are needed by our armed forces.

"As we here at home contemplate our own duties, our own responsibilities, let us think and think hard of the example which is being set for us by our fighting men.

"Our soldiers and sailors are members of well disciplined units. But they are still and forever individuals—free individuals. They are farmers, workers, business men, professional men, artists, clerks.

"They are the United States of America.

"That is why they fight.

"We, too, are the United States of America.

"That is why we must work and sacrifice.

"It is for them. It is for us. It is for victory."

President Roosevelt.

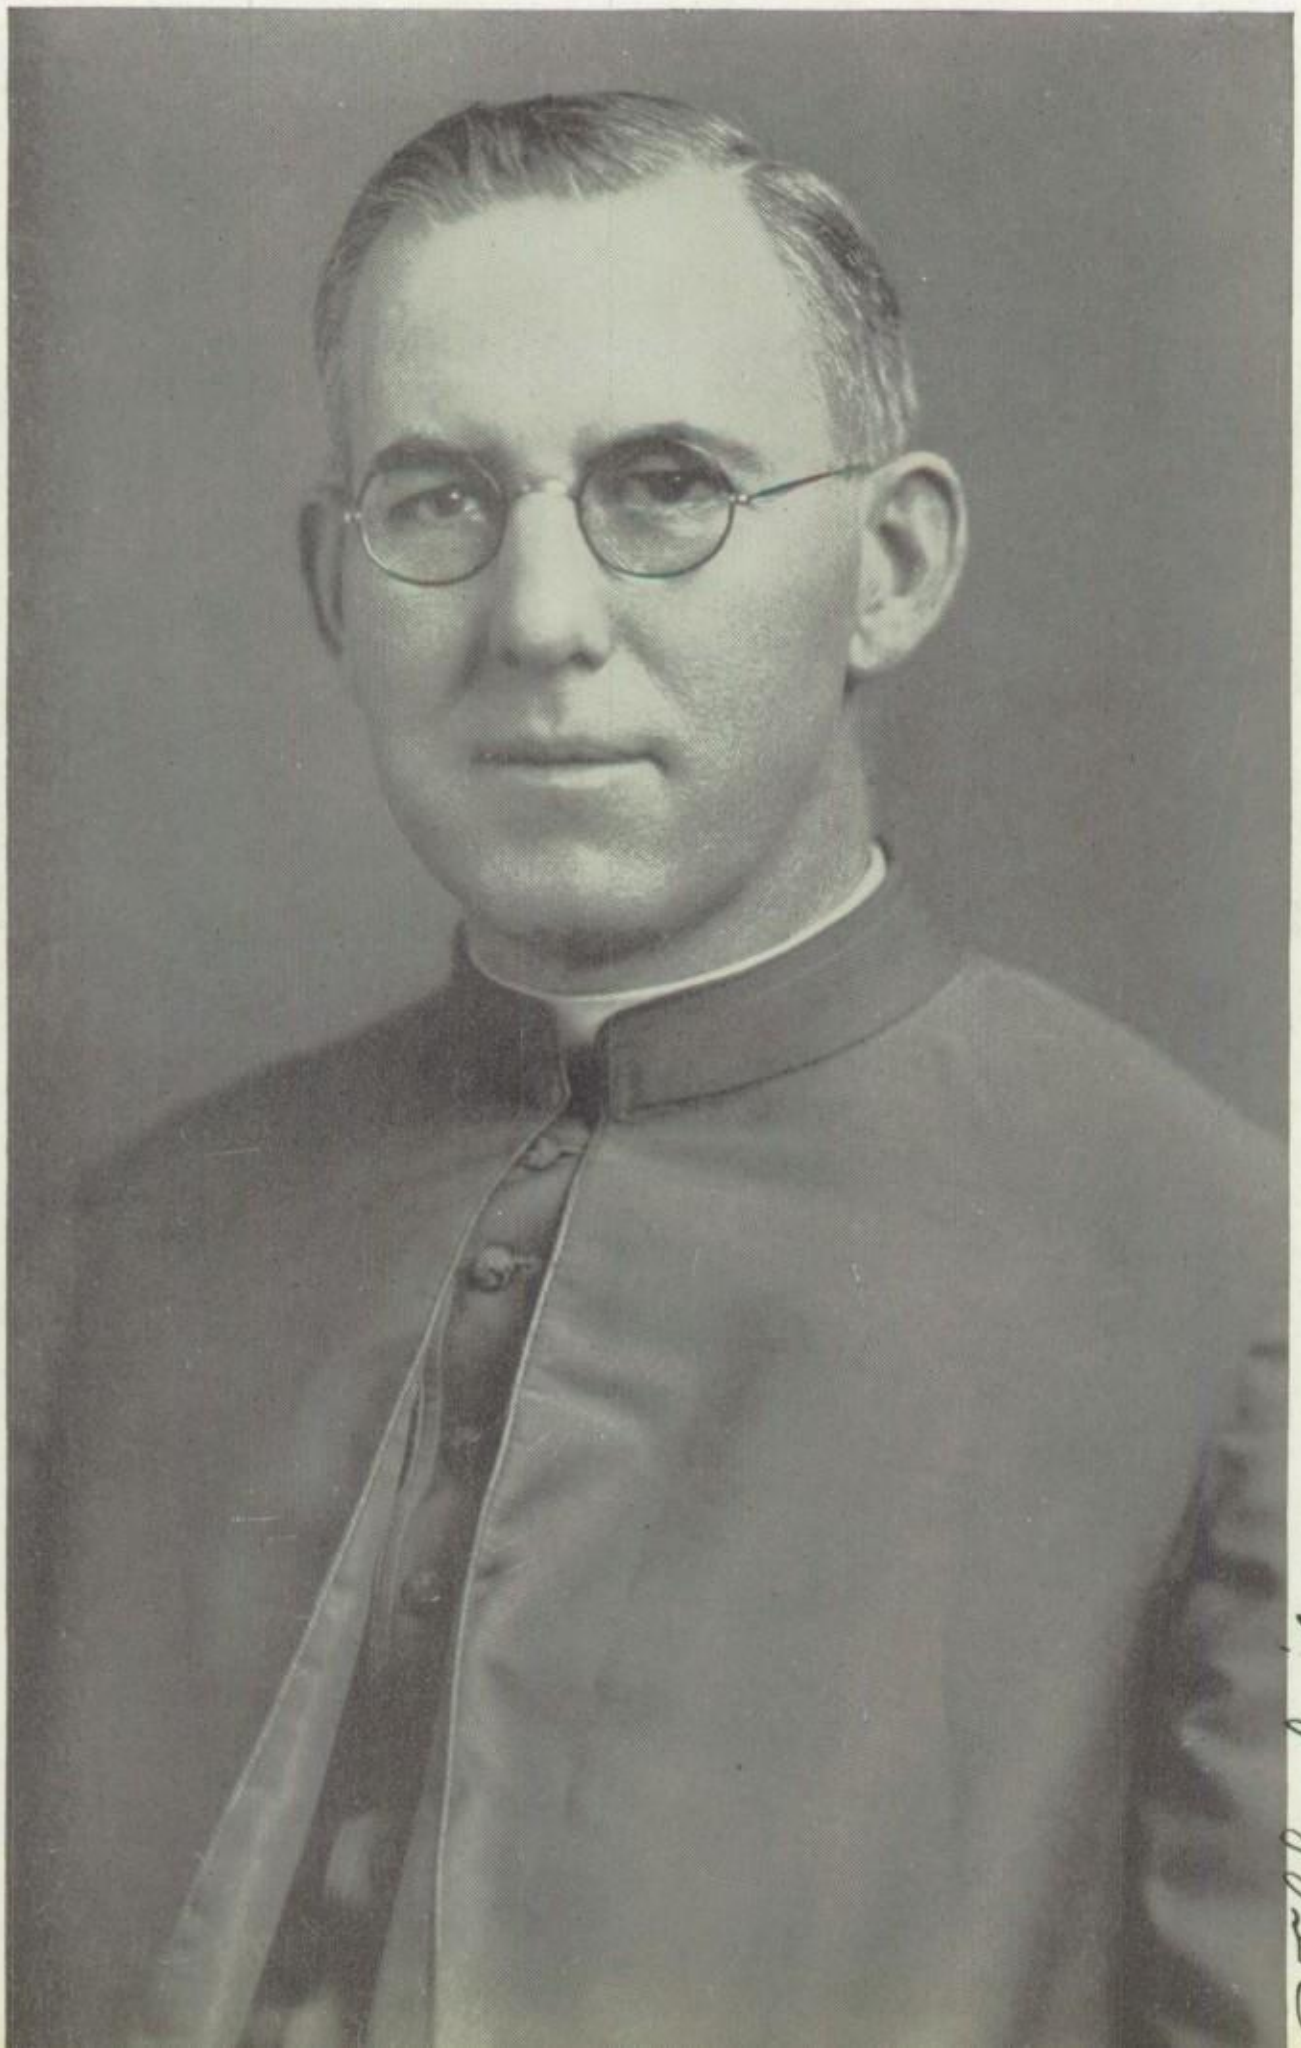
THE MOST REVEREND SAMUEL A. STRITCH, D.D.

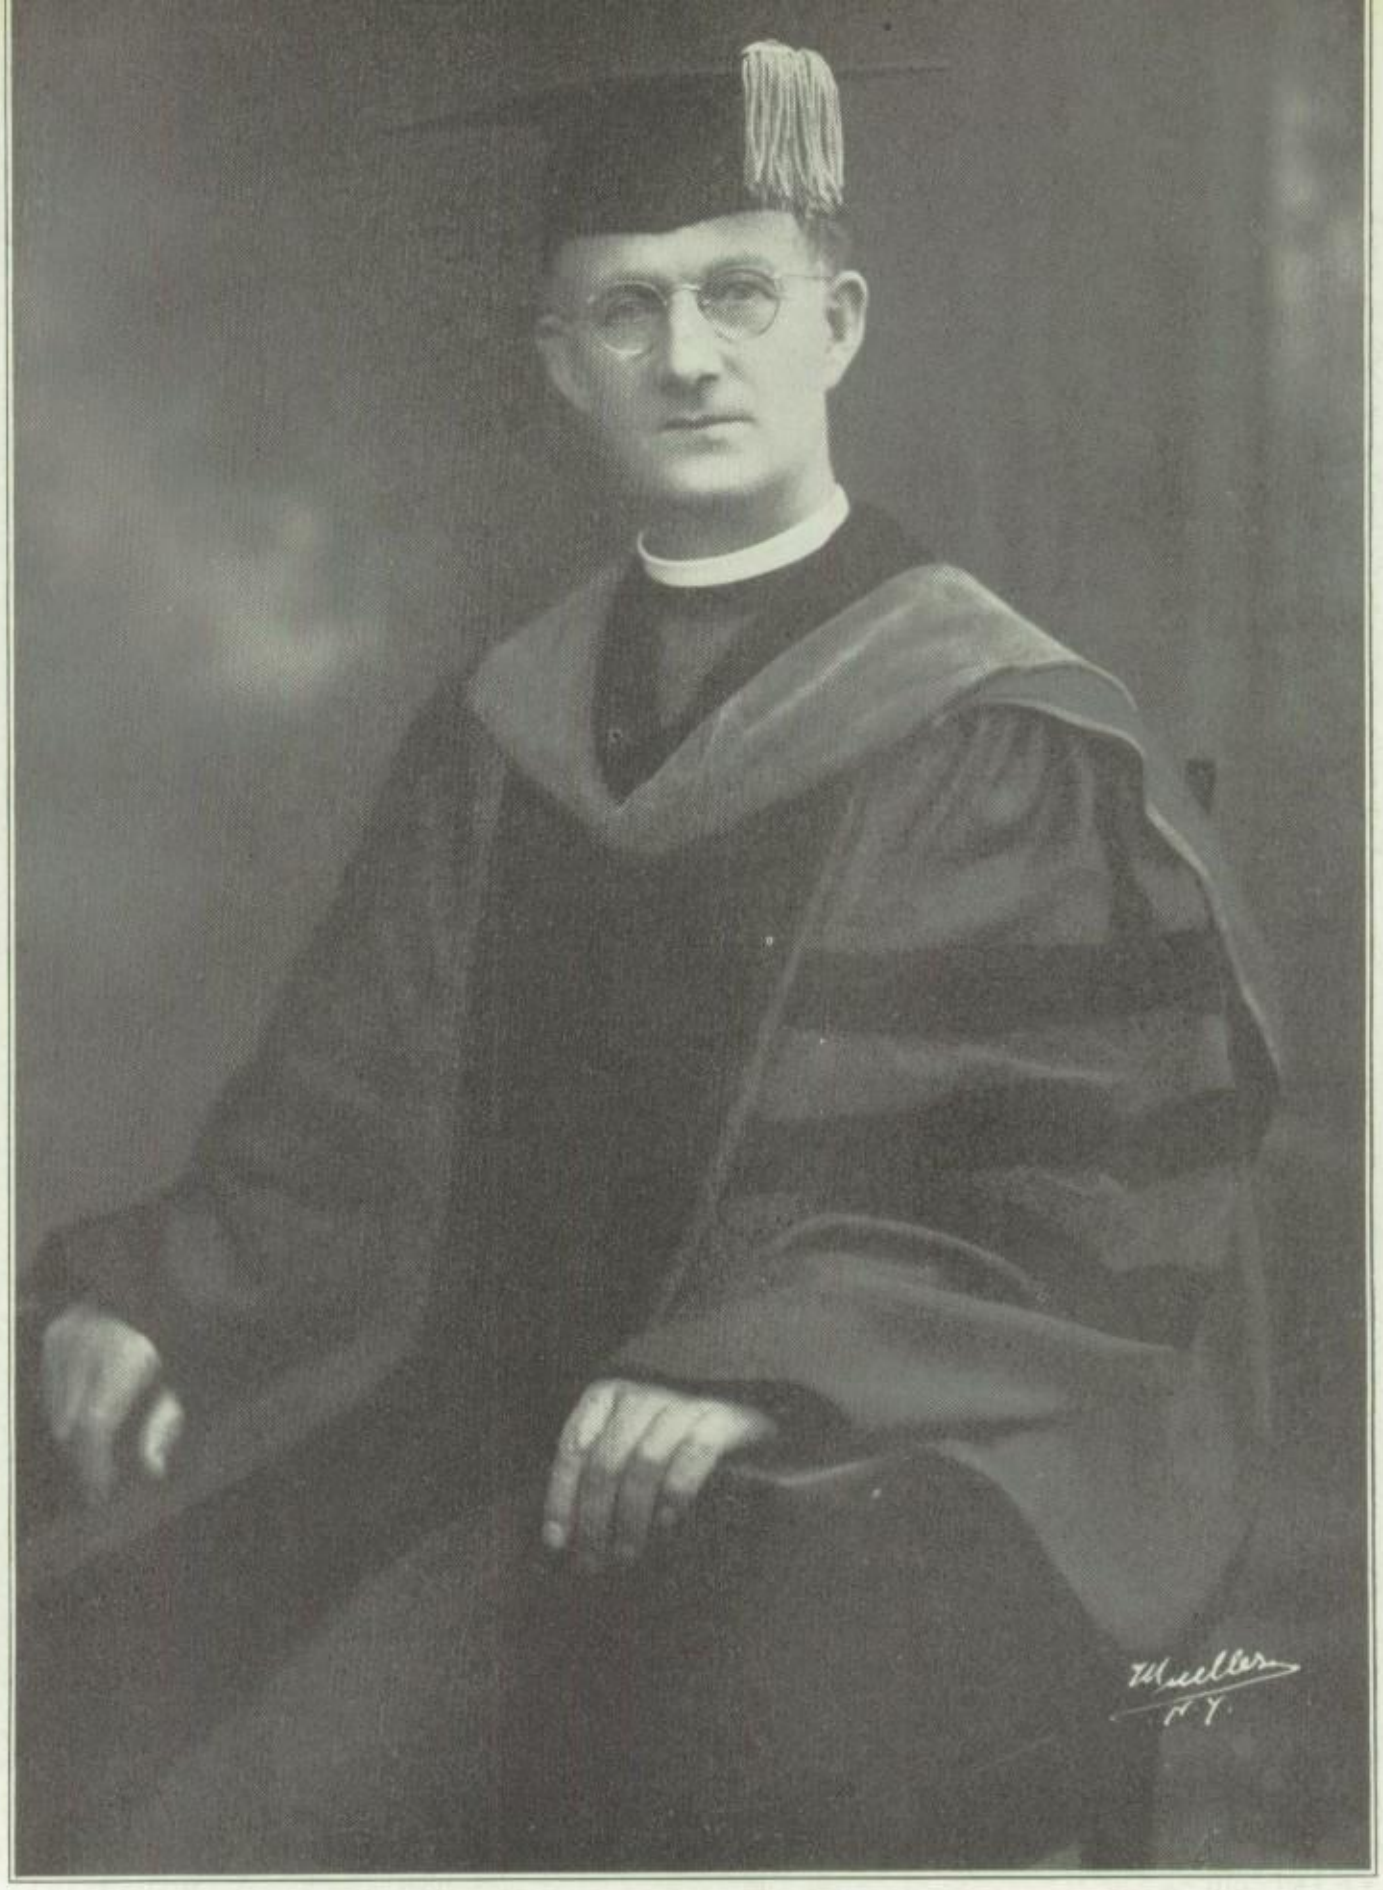
Archbishop of Chicago

THE VERY REVEREND MONSIGNOR PETER F. SHEWBRIDGE

Founder of Leo High School



P. F. Shewbridge



OUR PRINCIPAL

REV. BROTHER PATRICK D. McCARTHY, Ph.D.

DEDICATION

Brother McCarthy is, by no means, new to Leo, for he arrived in our fair city in 1930 to join the faculty here as a teacher of Mathematics. He held this position for two years. In 1932 he was transferred East and taught in many prep schools there. In 1940 he joined the first staff of Iona College, recently established near New York City, where he was Professor of History, until 1941, when he succeeded Rev. Br. P. E. O'Ryan as the fourth principal of Leo.

Throughout his first year as principal of Leo some new features have been added, such as: the opening of the new fourth story, and the installation of a P. A. system.

Leo still maintains its front row in the field of education. A newly organized Debate Team has proved its merits by a place in the Catholic Debate League. In our school publications, Dramatics, Art Club, etc., Leo keeps its place among Catholic schools. Our Band has taken its position amongst the best in the city. Our Library, containing over 8,000 volumes, provides the boys with ample and beneficial reading.

In the athletic field Leo has shown great prominence. Our football team has retained the Catholic title and has captured the "ALL CITY TITLE" for the first time. Leo's basketball teams have captured the trophies of the St. George Tourney, The South Section, and the Catholic Title, the last two for the third consecutive year.

With this short summary of Leo's achievements, we, the Senior Class of '42, do proudly dedicate this 13th volume of the "Lion" to Rev. Br. P. D. McCarthy, Leo's fourth principal in the hope that our Alma Mater may continue to progress under his administration.

COURSES

RELIGION

The future of Christian civilization and of the democratic way of life depends entirely upon the wide dissemination of Catholic education.

Education without religion inevitably leads to chaos, as evidenced in the world-wide conflict raging today. An educational system which develops the mind, but fails to enrich the heart and soul fails in its purpose. The absence of religion in education has resulted in materialism, the basis of all the isms threatening to destroy American democracy today, both from within and without.

Catholic education's two-fold task is to give a sound religious training and a thorough secular knowledge. In recognition of this fact, religion is stressed as the most important subject taught at Leo.

Freshmen and sophomores learn daily about the 10 Commandments, and grace. Supplementing to this course is the study of Bible History. Third year religion con-

sists mainly of the explanation of the Apostles' Creed and the history of the Church.

The senior, soon to face the pagan ideologies of the world, is spiritually fortified by learning the Catholic Church's viewpoint on such pertinent subjects as divorce, politics, and evolution.

Thus, through four years of high school life at Leo, the Catholic young man receives a comprehensive knowledge of his religion—a knowledge that will aid him immeasurably in attaining the end for which he was created, namely, gaining heaven.

LANGUAGES

Since a real knowledge of the English language is impossible without studying Latin, Leo's curriculum lists Latin as a compulsory subject for two years. Although a dead language and supposedly having no immediate value for the student, Latin is a subject requiring mental discipline that benefits the student greatly in later life.

In first and second year Latin are taught the simple rules of Latin grammar, in addition to translating Caesar's Gallic Wars the last semester of second year.

Complex Latin constructions are studied by third and fourth year students. Cicero's Orations in third year, and Vergil's Aeneid in fourth year complete the balance of the course.

French, "the language of diplomacy," may be taken by juniors and seniors, offering a refreshing taste of the most musical and fluent of languages.

Similar to French, upper classmen may take Spanish. This modern language is fast becoming popular, due to closer relations with our Latin American neighbors.

Rev. Br. J. D. Walsh
English, French

J. D. Walsh

COMMERCIAL

For the student planning to enter the business world immediately after graduation, a sound commercial course is offered in third and fourth years, including such standard commercial requisites as typing, shorthand, bookkeeping, commercial geography, commercial law and commercial arithmetic.

In typing, the old maxium, "Practice makes perfect" is true as in anything else. By continual practice the student becomes more and more proficient each day. Skill in typing is valuable not only for the businessman, but for those engaged in any line of endeavor. Shorthand and bookkeeping,

Professor Vitale
Latin, English

Professor T. Stamm
English
Instructor Public Speaking

likewise, are assets to the ordinary individual.

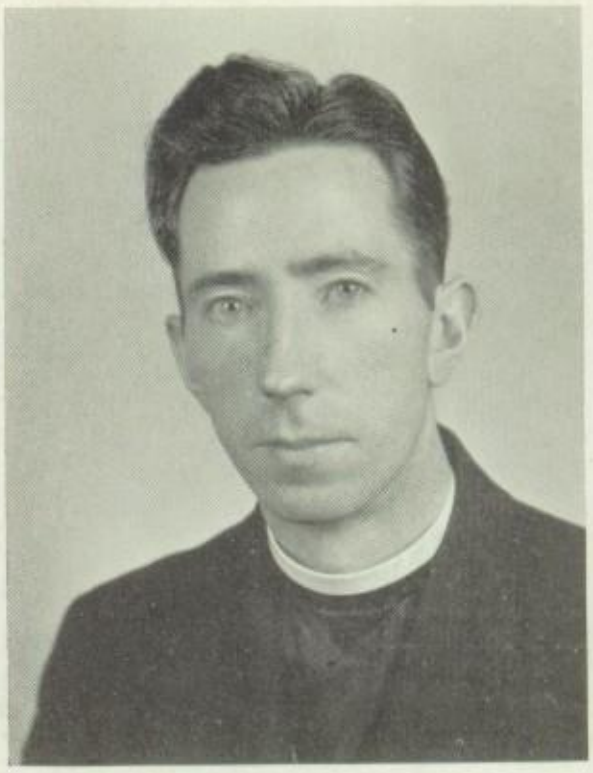
For a more complete education in commerce, commercial law, commercial geography and commercial arithmetic may be taken.

MATHEMATICS

Leo is justly famous for the splendid training in mathematics given its students. Several cooperative scholarships to Illinois Institute of Technology (Armour) and one to Purdue School of engineering were awarded to Leo graduates last year for outstanding ability in mathematics.

Elementary algebra, that puzzling work of x's, y's, and unknowns, is taken by freshmen. Sophomores study plane geometry,

Professor Mattei
Director of Music



Rev. Br. P. B. Croke
Mathematics

Br. P. B. Croke

the science which Euclid perfected. This course consists of a study of propositions dealing with plane figures, and numerous original exercises based on these propositions.

Although it is optional, the majority of students take mathematics in third year. The first semester is devoted to intermediate algebra, and the second half to plane trigonometry.

Only those seniors who are most adept at the subject continue in mathematics. Solid geometry, dealing with planes, lines, and angles in space, polyhedrons, cones and cylinders, and the sphere, is taken for one semester, and advanced algebra the second.

Besides mathematics, mechanical drawing is often taken in third or fourth year by future engineers or architects.

SCIENCES

The freshman at Leo enters into the new and fascinating field of science when he takes general science. In it he gets a general scientific cognizance in preparation for study in the specific branches of science.

Physics, the science of natural laws and phenomena is a subject which affects everyone. Practical applications or observations of the principles of physics are involved in almost every action we perform from the time we rise until we retire at night. Therefore, physics is the most practical subject which can be taken in high school.

Unbounded opportunities in the field of scientific discovery are open to the future chemist. Chemistry is a science whose rapid development during the past few years has

been a big factor in the higher standard of living we now enjoy, and sadly, in making war more destructive and ruinous to civilian populations. At Leo, a solid foundation in the laws of chemistry and supervised training in laboratory technique prepare the chemistry student for more advanced study and research in college.

ENGLISH

Rare is the person, in this fast-moving age of scientific discovery and material comfort, who knows how to read and write the English language perfectly. It must seem strange to others seeing Americans, the best educated and most progressive race on earth, unable to use their own language correctly.

A man is cultured in proportion to the fluency with which he speaks and writes his own language. The value of English to a man is inestimable, whether he be in business, public life, or any other occupation.

Leo students must take four years of English. The course is intended to familiarize the student with the classics of English and American literature, and the note-worthy authors of both countries, as well as how to write correctly, observing the rules of punctuation, spelling, and syntax.

HISTORY

The world's history from the time of the Egyptians until the end of the first World War is a required subject for all second year students. The never-ending pageantry of empires rising to greatness. and in turn being displaced by youthful, more vigorous nations is unrolled before the student's eyes.

In senior year, American history and government are compulsory. Reading America's struggle for independence is an integral part in the education of a true American. The second semester of fourth year is given over to the study of the science of the government of America, the most nearly perfect on earth.

Those wishing a major in history may take Irish History in fourth year.

Cisca, a school for Catholic Action, may be likened to a link, binding students of High Schools and Colleges to the Savior who so loved man as to give His very life for him. The purpose of this organization is to drench the entire student life—personal, social and cultural—with a genuine Christian spirit. In doing this tremendous task, Cisca created four standing committees to handle the job. The Eucharistic-Our Lady committee shows us the Liturgy as the fountain of all Christian living since it puts us in a direct contact with Christ-on-earth-today. The Literature committee shows us the Liturgy as the source of Christian culture, Christ's plan of things. The Social Action shows us the Liturgy as a teacher, teaching the practice of Christian justice and charity. Lastly the Apostolic committee shows us the Liturgy as the driving force to make us spread Christ's truth and life around us. Leo entered Cisca in '37 and today is a flourishing affiliate.

The Knights of the Blessed Sacrament organization is Leo's own Spiritual Society. It is that group which promises weekly communion and several minor practices for the greater glory of God. Its more immediate goal is the sanctification of mankind thru the more frequent reception of the Blessed Sacrament. In no way can its results be minimized, for it has been a great inspiration and influence for good. Thru the K. B. S. was born to Leo a Catholic Action paper, the Clarion. At first a small typewritten sheet, it has now entered into every classroom. The Clarion prints each week the 10 knightly practices, Cisca news, visits of spiritual leaders to our school, important Saints of the week, and an appeal for the remembrance of the dead friends and relatives and the sick and suffering.

Although we seldom realize it, we are inter-dependent upon one another. Upon this fact rests the principle and the plan of the Living Cross. It is a stream of Grace, penetrating all barriers, and encircling the world with its arms of life. There are three degrees or grades in the Living Cross: 1. THE AUXILIARY CORPS — promises weekly Mass and Communion, 10 minutes of Mental prayer, and one REAL SACRIFICE daily; 2. THE DEFENSE LEGION—promises Mass and Communion three times a week, 20 minutes of Mental Prayer, and Work for either Red Cross or Civilian Defense; 3. THE VICTORY LEGION—promises daily Mass and Communion, 30 minutes spent at Mental Prayer, work for Red Cross and Civilian Defense and Daily Compline (the official night prayer of the church). A great part of Leo has joined the Auxiliary corps.

CATHOLIC ACTION

Catholic Action is an increased co-operation of the Laity with the Hierarchy. Work for the missions is participating in the teaching office of the clergy; work for the Holy Name is in the office of sanctification of the priesthood; and obedience to the wishes and laws of the pastor is sharing in the pastoral office of the Church.

Instructing children, working for the missions and the like are the things which help the Church in its work of preaching: "Go ye into the whole world and preach the gospel to every creature." "Going therefore, teach ye all nations."

Participation in the various parish-sponsored sodalities and means to holiness, is aiding the Church in the sanctification of its members. Striving for personal holiness through mental prayer, retreats, spiritual reading, frequent reception of the Sacraments, and Christian living, puts us in more intimate contact with the rest of the Church. Personal sanctification is the big aim of Catholic Actioners.

Finally, by obeying our pastors we are sharing in the last office of the priesthood, we are aiding the priest in his pastoral office, his duty to govern the faithful. Also along this line is refraining from utterances against those who have been placed over us. By knowing the laws of the Church and not looking for loopholes, we also become sharers in the Catholic Action governing of the Church.

In this it will be noticed that all centers about the parish. The parish is the power station, the source of all our spiritual fuel, and without it we would be like divers without air, or autos without gasoline.

Two most important activities that come under the heading of Catholic Action are: discussion clubs, and Christmas baskets. In discussion clubs one gets down to the heart of Catholic Action. In these clubs one analyzes Encyclicals, shows in simple, understandable language important doctrine of the Church, and learns the "why" of the Church Laws. Christmas baskets is a form of Catholic Action as much as any of the others, for they bring a message of Christian cheer with them. LEO did especially well with Christmas baskets; the boys were very generous.

This year the Rev. Br. E. P. Mulvany outdid himself in the direction of Leo's Catholic Action works, so that we had a very successful year.

SENIOR CLASS PROPHECY

A slant eyed seer I chanced to meet,
While strolling down a darkened street.
Achmed Abdullah was his name,
He was a prophet of much fame.
And this is what he said, alas,
Of what was soon to come to pass:

TOM SLOYAN: With wavy hair and eyes of blue
Claims he's an expert pitching woo.
But here is what I have to say,
No doubt he'll end up pitching hay.

BILL KEARNEY: He's six foot-four of brain and brawn,
How LEO will mourn when he has gone.
From work he'll never be a shirker,
He'll live and die a soda-jerker.

ED HAYES: Through Tilden's line our Ed did slash,
And over their goal line he did crash.
In spite of this and his left hand passes,
He'll be writing "Muscles for the Masses."

BILL KAMMERT: With that avoirdupois we know,
His many talents soon he'll show.
Talents that never could be rasher,
Undoubtedly he will be an atom smasher.

BOB MULTHAUF: Bob is a boy with slicked-down hair,
He's very chic and debonaire.
Here is the best thing he can do,
Invent "Multhauf's Axle Grease Shampoo."

FRANK LAURO: On the football field he always did race,
Into the melee with a scowl on his face.
Ho Hirohito say a prayer,
'Cause we're sending Frankie over there.

JOHN GERRITY: John we always did ridicule,
'Cause he never could define 'molecule.'
But he will all of us fool,
When he runs his own high school.

JIM SHERIDAN: Fame will never go to Jimmie's head,
His autobiography will be widely read,
He'll become Barrymore's protege,
And win stardom on the great white way.

TOM HURST: On the gridiron "Brutus" never did falter,
He was in truth, "The Rock of Gibraltar."
But if his nick-name is any factor,
He'll end up a Shakespearean actor.

JIM O'HALLORAN: Pretty girls wrote to the paper for him,
He was our boy "Curly Haired Jim."
And now in order to rhyme this poem,
We see him high point man at the Old Folks' Home.

BOB KEEVERS: Bob was a lad of giant intellect,
And on him it had a strange effect.
For he has fallen into Life's deep rut.
Having just invented a holeless doughnut.

BOB QUINN: Now to most of us it should seem,
That Bob will captain another team.
And indeed, at Vassar, he'll do us one better,
As captain of Rope-Skipping he'll get his letter.

"BABE" BARANOWSKI: Little Henry of Athletic fame,
Has ever won the crowd's acclaim.
But reality surpasses our fondest dream,
He'll be the whole U. S. Olympic team.

JOHN TRILLA: Returning a kick-off,
"Swivel-hips" through opponents would totter,
And when he got through they mopped up with a blotter
But he'll really shine at bowling some say,
When in the ABC he beats Ned Day.

LEO COLANGE: Here's a pilot with great ambition,
But to him I give word of admonition.
I think it's really far too soon,
For a rocket ship to reach the moon.

LOUIS SAYRE: A fidgety fellow was Louie Sayre,
Always getting in someone's hair.
But at work because of his perpetual motion,
He soon gained every promotion.

JOHN MANGAN: That connoisseur of the hot beef sandwich,
In future life will find a grand niche.
Official beef-tester he will be
Working for Swift and Company.

BILL "LOVER" FLYNN: Bill with his shy grin perpetual,
And bashful manner with girls so effectual.
Glamorous Hollywood will be his goal
A matinee idol will be his role.

CHUCK MEHMEL: Effervescent grin and chunky shoulders,
Beneath that fine head some brain smoulders.
Of football he plays the best brand,
He'll soon be blocking for Hillenbrand.

HAROLD ELLIS: Studious with some intellect,
On him Solid had no adverse effect.
Even Einstein will be about undone
When Harold spouts a fifth dimension.

DICK "DAN'L BOONE" FURRY: In school Dick was forever musing,
That he'd like to succeed Ted Husing.
But I glance into my crystal ball and here are the facts,
He'll still be out at Palos fighting off Indian attacks.

JACK "LONG JOHN" GLYNN: Here's a boy who's really tall,
He's always squawking that the desks are too small.
He thinks he'll be a businessman and that's a laugh,
He'll be a zoo-keeper and feed the giraffes.

BOB GRAFF: An Honor Roll student, in class he gets sleepy,
But a business tycoon will pretty Bob be.
So happy concocting the brew without peer,
"Graff's Gruesome Lager," your favorite beer.

JOE BONFITTO: Although he's as frisky as a one year old pup,
We've abandoned all hope that he'll ever grow up.
Now I'll disclose his one secret wish
To live at the Aquarium and take care of the fish.

ALBERT MAJETICH: With serious manner and marks so high,
Marks o'er which many a student would sigh;
What life could be more enjoyable for Al,
Than sailing toy boats on the Drainage Canal?

"ACHMED ABDULLAH" KEARNEY: Here is the fellow you gents would like to lynch,
But remember, composing this poem was no cinch.
He'll write of ladies beautiful and heroes dashin',
And publish books like, "Pawns of Passion."
So harken unto my sad fate,
And for the above bear me no hate.
One thing I'll say while on the run,
FORGET IT FELLOWS. IT WAS ALL IN FUN.

CLASS TESTAMENT

We, the Senior Class of 1942, do dispose and distribute the sundry miscellanies that we have collected while engaged in devious pursuit of knowledge in the sacrosanct halls of LEO. This is presented in the hope that it will enlighten those green Frosh who were deprived of the benefits of our earlier character builders. We trust that with diligent application of these gems of experience you, the under class men of today, will worthily let fall upon your shoulders the ermine robe of the Senior, his purple vestments, and permission to leave the library ahead of time. A word to the wise is sufficient. Experience is the best teacher. So when your illustrious predecessors are picking their painful way through Japanese barbed wire, dodging Stukas, and finally, when we are drinking Bock beer at a sidewalk cafe in the shade of Under Der Linden, it is our hope that you will profit by our experiences and avoid the pitfalls of omission that abound in the life of a student.

Our most treasured possession we pass reluctantly down to you. Never abuse it, always be worthy of it and use it properly.

Five Guaranteed Fool Proof EXCuses! I forgot it; I left it at home; It's in my locker; What home work?; The dog ate it.

But in a more serious vein we bequeath you a heritage of Catholic education and Catholic ideals. When we first entered Leo we were green kids with immature bodies and minds. Now, in the short space of four years, a subtle but apparent change has taken place, not only in our bodies but in our minds as well. We are men, physically and mentally. Manhood and the growing pains preceding it is a delicate transition. It is a time when our character and our philosophy of life is formed. As the twig is bent so the tree is inclined. We were fortunate to be under the guidance of such men as are here at Leo. They set the example and if we have succeeded in emulating them a little bit, they can rest assured as to our future.

To our teachers then, God bless 'em. By the sweat of their brows and their power of persuasion they made men out of us. A barrel of orchids to these self sacrificing men and to the Order which produced them. Reverend Brothers, we thank you.

To Br. Burke the memory of his most successful LION.

And to our new but capable principal, the Reverend Brother McCarthy, we leave the memory of his first Senior class at Leo and with it a perfect record in both academics and athletics.

Therefore on this third day of June, 1942 we the Senior class of Leo High School do affix our signature to this document.

Class of '42.

WHAT MADE HIM FAMOUS

TED JANIK—Knows every freshman at Mercy.

"BUTTS" BUTTIMER—Sincere effort at studies.

TOMMY TUCKER—Those bright blue eyes.

MARK CRONIN—Unappreciated sallies with fickle humor.

TOM SLOYAN—his "line" at Sabina.

BILL KEARNEY—a good pass in the championship game.

"BABE" BARANOWSKI—three guesses.

TONY RINELLA—fluent and enthusiastic conversationalist.

JIM MAYS—Joined Junior victory army.

HARRY TRAINOR—Prof. Brosnahan's pet.

TOM GLEASON—That BEYOOTIFUL wave.

BOB DONLEY—took life with a grain of salt.

TOM HANNON—took life with a ton of same.

BOB FITZGERALD—all around good guy.

HUGHIE HAYES—his thorough knowledge of French syntax.

JOE LA BARGE—"I don't know."

GERALD ROWAN—CISCA.

JOE KILLACKEY—imitations, and good of a certain teacher.

JIM SCHMUHL—perpetually skinned nose.

JOHN GRANT—ability at Spanish.

MIKE CARLSON—Mid-summer episode.

HARRY POWERS—organized swing band.

JACK SHARKY—verbosity.

ELLSWORTH PETIT—Doing his home work.

ERV POSTELANCZYK—a twenty-three inch waist.

JACK MCCANNA—soda jerker.

JACK SPIEK—lab asst.

ED BARNICKLE—Father Pres. of Fathers' Club.

BOB GRAFF—insatiable thirst for coke.

JOHNNY GRAHAM—enthusiastic expression.

JACK GLYNN—classic profile.

KEN PARRISH—answers in history.

TOM POOLE—always happy.

ED COBB—his second name.

EDDIE ANDRASCO—that SLICK pompadour.

JIM HOWARD—his nickname (Drooly).

JOE SMITH—Ace ticket seller, chance getter, and subscription salesman.

BILL BRENNAN—Irish history.

JOHN L. KELLY—kept his head during boisterous Carmel game.

PHIL LA MANTIA—"Quit that foolin' around."

DAN GRIFFIN—Aspired to emulate Rip Van Winkle, especially in class.

SENIOR CLASS OFFICERS

These young men were chosen by their own classmates to lead their respective divisions through the school year of 1941-42. You will find that every one of these boys has merited the position he holds by distinguishing himself, by participation in one or more activities, whether it was religious scholastic, or athletic here at Leo. It is the duty of these boys to lead their classes in the various room activities and as characteristic of Leo they have done so successfully.

Intra-mural Basketball 1-2-3-4; Swimming 1; Public Speaking 4.

WYCHOCKI, ARTHUR EUGENE (Witch)

St. Mary Magdalene Church and Grade School

Honor Roll 2-3-4; Glee Club 2; Intra-mural Basketball 1-2-3; Physics Club.

PUBLIC SPEAKING

James Sheridan, a Senior, won another oratorical contest recently, the second triumph of this kind this year. His latest feat was the taking of first place among twenty-four contestants representing four midwestern states at Notre Dame University.

In recognition of his winning, the Wranglers' Club, sponsors of the competition, presented him with two trophies, one for himself and the other for his School. In March James won the Catholic High school oratorical contest at Fenwick High school, for which he won for his Alma Mater a gold cup.

A year ago our talented speaker placed first in the American Legion's Cook County contest. He tied for first place this year.

"DEBATE"

Along with the other new achievements of Leo High School, Debate has now become a well established part of the extra-curricular activities for it was in this year that Leo for the first time in its history entered the Catholic League Debate Competition.

During this year of 1942 Leo, as did other high schools in the United States of America, debated the National High School debate question;

> Resolved: That every able-bodied male citizen in the United States should be required to have one year of full time military training before attaining the present draft age.

Leo, during this year of 1942, debated with other teams from the following high schools: Fenwick, Mt. Carmel, De La Salle, Loyola, Ignatius, St. Mel, St. Philip, St. George, and Trinity.

The Leo Affimative team was upheld by Richard Furry, a Senior, and Edmund Kearney, a Junior, while the negative side of the question was upheld by Edwin Kelley and Harold Ellis, both Seniors.

Both teams, regardless of their wins and losses, finished the debate season in fine form and with a very good understanding of debate technique which will be helpful to them, not only in advanced schooling, but all through life.

Mr. T. J. Stamm, Leo's Debate coach, is to be complimented on his excellent work in whipping two inexperienced Leo teams into fine debate form within so short a time.

Top: James Sheridan, winner of two trophies for public speaking.

Center: Debate group (left to right): H. Ellis, E. Kearney, E. Kelley, Professor Stamm (Instructor) and R. Furry.

Bottom: Public address system control desk.

LEO MOTHERS' CLUB

The Leo Mothers' Club ever on the march was organized for the purpose of fostering perfect cooperation among the faculty, students, and the parents. Today when Victory and morale seem such a burden the capable officers and loyal members of this club are finding the task not too difficult as they accomplish greater achievements each year. Their splendid work in entertainment has done much to broaden the social life of the school while their tireless efforts in raising money through the various club activities have greatly lessened the school's financial needs.

The pleasant rivalry of the class parties has a stimulating effect on the students and has strengthened the bond of unity between faculty and parents. School problems are solved with wisdom and sympathetic understanding without which no school can advance.

We find the Leo Mothers' Club taking a keen interest in sports. The boys realizing this gave their best as evidenced by their basketball record and their glorious battles on the gridiron which brought home the city championship.

Working in close harmony with the club the Leo Band constantly strives for higher honors and better entertainment. Thus the Leo Mothers' Club has reason for rejoicing as it looks forward to further achievements. Standing firmly, solidly, and staunchly behind the faculty in a gallant effort to keep Leo first, the club spirit was never better, its morale never higher as it marches onward to victory.

LEO FATHERS' CLUB

The fifth year of the existence of the Leo Fathers' Club was indeed a banner one. Under the guidance of the sterling group of men whom you see pictured, the Fathers' Club embarked upon their annual program of providing recreation and a bit of social life for Leo and its students.

A skating party was sponsored by the Club at the Planet Roller Rink. This is typical of the clean, healthy entertainment the fathers provide for the student body.

On two occasions, programs were presented in Leo's fine auditorium as Fathers and Sons night, where the fathers, students and faculty all became better acquainted.

At the end of the football season, our magnificent team found itself champion of Chicago, first Catholic team to attain this exalted position. The Fathers' club celebrated this occasion with a sumptuous banquet at the Palmer House, the crowning glory of which was the first appearance of our beloved Archbishop at any Leo festivity. The School Band was also the guest of the Fathers' Club at this lavish dinner.

Another feature of the Fathers' Club's activity was a football victory dance staged at the St. Sabina community center. The low lights and sweet music of Leo's first social was enormously enjoyed and appreciated by the student body.

As the year drew to a close, our two fine basketball teams, the heavyweights having won the St. George tournament, the Championship of Auburn Park, the south section Catholic Championship, and the lightweights having been extremely successful, were rewarded by the Fathers' Club for their auspicious campaign records with a victory dinner.

May we, the students, extend our most heartful thanks for all the pleasures we have enjoyed to these men, our Fathers, who compose the Leo Fathers' Club.

THE LION

"The Lion" is Leo's annual publication of the records, activities, and achievements of her students. This book is written up by the students, themselves, under the very careful supervision of Rev. Br. Burke. For those boys who graduate from Leo, it is a lasting memory, not only of their teachers and former classmates but also of the school itself and all that it means to them.

We live in a time of war and strife, when, as the people of the United States of America, we are called upon not only for the highest patriotism in our country's cause, but also for loyalty to religion in its everlasting endeavor to bring peace into the world. Therefore the theme of this year's book is "For God and Country."

This 1942 issue of "The Lion" is dedicated to our new principal, Rev. Br. P. D. McCarthy, who has been chosen to guide Leo along the road of success on which it has already travelled so far.

We of the staff of this year book have tried to show to our readers life as it really is at Leo from the religious, scholastic, and athletic viewpoints.

This year of 1942 has probably exceeded every other in the history of Leo in achievements by its students. It is therefore hoped that this book with its great abundance of material will be one of Leo's greatest.

We of the staff, acting in behalf of the faculty and all the students at Leo, wish to thank those who advertised in our book and also our patrons whose co-operation was of great help in making this issue of the '42 Lion, the great book it is.

To the Root studios whose excellent photography ornaments the pages of this book, to the Clarke-McElroy Publishing Company for their neat printing, and to the Pontiac Engraving Company for their fine work, we wish to extend our thanks and appreciation.

Getting the "Lion" Ready For the Printer

ORIOLE

Under its new Moderator Rev. Brother M. O. O'Hehir, the Oriole has definitely retained its high standard. It has informed Leo boys of the various activities in which the school participated and also has furnished them with news of the happenings within the very halls of Leo.

It has taken much work on the part of the staff to get stories written, proofs read, and dummies put together so that the "Oriole" might come out on time. A new masthead has been added to the "Oriole" this year.

All Leo students are permitted to be, and are welcomed on the staff of the "Oriole."

At Work on the Oriole

The "Oriole" holds the coveted Quill and Scroll Emblem and is also a member of the Catholic Press League.

THE BAND

This year, the Band, despite a large loss of members by last year's graduation, has risen to its supreme height in the musical world. Through the masterful conducting of Mr. Mattei, its director, the efforts of its moderator, Brother Collins; the aid and earnestness of its student conductor, Harry Powers; the help given by the student drill sergeant, John Hastings, a Senior, on formations and marching on the parade ground, the band has become this year, one of which Leo can be proud.

This year the band has also received notable success both as a marching and symphonic band, a feat which is rarely paralleled. The band's formations on the field have drawn praise from all sides and are regarded by all as exceptionally well executed. Particularly good was the showing the band made at Soldier Field on the day of the Leo-Tilden Championship Game.

Although only four years in competition the band has won forty medals in solo and ensemble work.

This year Leo resurrected its swing band and so notable was its success that invariably it was the hit at various school concerts.

Every student at Leo has a right to be proud of the Leo Band, for it is the only organization in the entire school which shows such determined school spirit and team spirit "whether the odds be great or small." The band is always there and can always be depended upon.

Band Solo Contests

Fifty-seven members of the band entered for the Solo Contests conducted each year at this time by the Catholic League. Of these 28 won first place gold medal awards, 26 won second place silver medals and 3 won third place bronze medals. In the Band group contest Leo entered in Class A and won award—Superior, the highest place possible.

SCIENCE CLUB

Under the able supervision of Rev. Br. Lyons the club achieved great progress. This is the fourth year of its existence and all felt it was the best so far.

This group is unique in that all of its members are freshmen, and that each must have an honor standing in science. Membership is therefore rather exclusive.

The purpose of the organization is to provide an opportunity for the scientifically-minded student to broaden his general knowledge of science by actual experience.

Election of officers is held twice during the year and committees are appointed to take charge of the various projects undertaken.

During the year each member must give a short talk on a related scientific subject. Interest is intensified by parties, outings, and trips to museums and other points of interest in Chicago.

LEADERS AND TROPHIES

Rev. Br. F. R. Finch succeeded Rev. Br. J. F. Hamill a athletic director this year, and is to be commended for his ex cellent work. He carried out his duties in a very efficient an competent manner.

Coach Cronin's football team achieved their highest pinnacl of success this year with the winning of the Catholic title fo the third successive year and the capturing of the City Title fo the first time. Whitey Cronin showed his superb knowledge o football when his team won the City Title by the highest scor ever attained by any other team in Chicago. He was aided i this great achievement by his able assistant, Mr. E. Johnson.

Barney Varnes, our new basketball coach, showed surpassin dexterity and skill in his training of the basketball team. H chief accomplishment was in taking possession of the Catholi City Basketball Title.

Babe Baranowski, the city's outstanding prep-football playe won the Noble Kizer award given to the most accomplishe athlete in the Catholic League.

CHAMPIONSHIP GAME

Leo entered the Catholic Championship game defending champions and favorites. Fenwick had Provenzano and Leo had Baranowski, so the game proved to be interesting.

Early in the first quarter, on a cold, frosty day, Frank Lauro blocked a kick and Baggott snagged it and ran over the goal line. Leo led at the half 7-0.

After a series of kicks opening the second half, Bob Hanlon plunged over for the second Leo score. Baranowski converted and Leo led 14-0.

The final Leo score was made by big Larry Forst, tackle, who grabbed a blocked Fenwick pass and crossed the Friar goal line.

Thus Leo won their second straight Catholic title 20-0.

SEASON IN REVIEW

The Leo Lions, defending Catholic Champions, went into Stagg Field to defend their title against Mr. Carmel, their traditional rivals. The game was thought by many to be the deciding one of the Catholic League Season. The Lions, sparked by Baranowski who scored 20 points came roaring out of the game on the long end of a 34-7 score.

Next week again found Leo at Stagg Field, this time against St. Rita and for Charity. The Lions were defending their record of never having lost a Mercy game and came through winning 40-14. Baranowski scored 22 points and Ray Egan playing fullback after Hanlon was hurt scored a marker. The final score was made by Frank Supple.

Leo next played St. George, the strongest threat to their title. They turned the Dragons back on a muddy field, 21-0.

The Lions then went to the West Side to play last-place St. Philips and came back with a 27-0 win. Baranowski and Mehmel both scored twice.

Leo journeyed then to Joliet and when they came home they had the South Section title for the second successive year. The score was 20-0 and Baranowski scored all the points.

Leo played their final game at Shewbridge Field against De LaSalle and won 19-0.

Who's who at the Leo-Rita game.

Trying for that extra yard in the Leo-St. George game.

CITY TITLE GAME

Leo High School, champions of the Catholic league, ran on to Soldiers Field before a crowd of one-hundred thousand expectant spectators with a grim determination to place Leo's banner on the top of the City championship pole for the first time.

The greatest team ever to be turned out of Leo dominated action from the opening kick-off until the final gun. Leo won the toss and elected to kick-off. Tilden failing to gain was forced to kick. At this time Bob Baggott broke through from his position at left end to block the kick and Frank Lauro, Leo's Co-captain with Bob Quinn and all-state guard, scooped up the ball and crossed the goal for Leo. Babe Baranowski stepped up to boot the pigskin right between the uprights. Larry Forst gave Leo its second chance by recovering a Tilden fumble, after which Bob Kelly raced twenty-nine yards to the sixteen yard line. Baranowski completed a ten yard pass to Baggott and Bob Kelly then carried it across. Baranowski again converted.

The second quarter was a repetition of the first. Charles Mehmel, acclaimed the league's best blocking back recovered a fumble. Babe Baranowski carried the ball twice, gaining thirty-four yards on his first sprint and then loped thirteen more yards to go over for Leo's third touchdown. Late in the second quarter fullback Bob Hanlon, on an end run, raced seventy-three yards for another Leo touchdown and Leo's longest run of the day.

Tilden first scored when Bob Fencl returned Leo's next kick-off seventy-four yards for a touchdown. Tilden failed to convert. Ed Hayes then carried the ball three times, gaining sixty-three yards and another touchdown. In the final minute of the first half Bob Carr intercepted a Tilden pass and ran forty yards for Leo's sixth touchdown. Leo led at the half 39 to 6.

The third quarter slowed down as Leo eased up its attack, the only touchdown being made on a pass from Baranowski to Tom McDonald who went six yards for the touchdown. The kick was good.

The once mighty Tilden was allotted six points more in the fourth quarter when Ray Schumacher drove twenty-three yards in four plays to score the final touchdown. The kick was good making the final score 46 to 13.

Thus, Leo's mighty Lions compiled the highest total of points ever scored by any team in the Chicago prep championship game. This closed the final act on the perfect football season of Leo's greatest team.

"Grab-bag" at the Carmel-Leo game.

Baranowski going over for third touchdown at the Leo-Tilden game.

Hanlon breaking through for a ten yard gain.

LIGHTWEIGHT FOOTBALL

Someone said they did not win many of their games but they surely had the fight that characterizes all of Leo's football teams. However, our team, composed mostly of Frosh and Sophs was a fine team. Although handicapped by a light but aggressive line, which managed to hold well against more powerful lines of our opponents, the team was aided by a fine group of backs. The Lights won a single game, tied two, and lost three. The fine spirit and good sportsmanship of this year's team assures Leo of championship teams in the future.

CAMERA HIGH-LIGHTS OF THE BASKETBALL SEASO

HEAVYWEIGHT BASKETBALL

Coach "Barney" Varnes began his first success by winning all league encounters but one, and then leading the team to its third straight city championship. The players on this record deserve all the praise due to any great team.

FIRST ROUND

The first game of the season was against St. Philip. The Lions came forth conquerors by a 52 to 18 score.

The next to fall victim to the Lions was St. Rita by a score of 37 to 26.

In the contest with De LaSalle Leo was again victorious but this time by a smaller margin, 41 to 38.

The Leo quintet downed Joliet 49 to 39 after trailing by 3 or 4 points most of the first half.

Next the Lions invaded the Carmel gym where they beat the Carmelites 35 to 22.

St. George was easily defeated by the Leo lads 58 to 35.

SECOND ROUND

The Lions continued their journey towards their third straight league championship by defeating St. Philip 44 to 43.

Leo playing a "hot" St. Rita was defeated 53 to 52 in the most thrilling game of the season.

De LaSalle was determined to beat Leo after the latter had been stopped by Rita, but lost 39 to 30.

After this victory the Lions fought a close battle with Joliet, winning 41 to 38.

Carmel too fell a second time, a victim to Leo 47 to 30.

The last league game of the season, which was with St. George, was won by the Leo team 39 to 27 giving them possession of the South Section crown.

CHAMPIONSHIP GAME

The Lions successfully defended its Catholic League title by defeating Loyola 48 to 34 in the De LaSalle gym.

The North Section champs started out with a flurry and led at the quarter 14 to 6. Jack Dee leading the attack with four baskets.

In the second quarter Jim O'Halloran began to hit the hoop and with "Babe" Baronowski's help tied the score at the end of the half, 23 to 23.

Leo took command in the third quarter and was never again challenged for the lead. The score at the end of this quarter was 37 to 27.

In the fourth quarter the Lions took a greater lead and, finally, won the game 48 to 34.

Top row (left to right): E. Lyons, L. Knox, W. Brennan, J. O'Halloran, D. Ryan, H. Trainor.
Second row (left to right): Coach Varnes, G. Richert (Manager), W. Crowley, R. Baggott, T. Gibbons (Assistant Manager), Rev. Br. F. R. Finch.
Bottom row (left to right): H. Baranowski, W. Dillon, W. Carney, E. Dawson, R. Walsh, G. Vinton.

Middle row (left to right): Coach B. Varnes, D. O'Connor (Manager), J. Kelly, G. Rieg (Manager), Rev. Br. F. R. Finch (Athletic Director).
Bottom row (left to right): S. Flaherty, R. Hawkey, I. Chap, J. Arneberg, J. Schaller, R. Egan.

LIGHTWEIGHT BASKETBALL

Leo's lightweight basketball squad, under the able guidance of Coach Barney Varnes completed a fairly successful season. During the preseason games the Leo lights showed hopes of taking the lead by squashing Quigley 39 to 18, and a few days later 42 to 29. They also beat Fenger 39 to 14, Calumet 39 to 20, but lost the fifth game to St. Michael 37 to 33. They later came back to beat Catholic Central (Hammond) 39 to 14.

After showing these good intentions to run up high scores Leo lost its first league game to St. Philip by only one point, the score being 22 to 21; after this whipping they beat St. Rita 37 to 25, then De LaSalle 38 to 34 and Joliet 61 to 24. Leo was then stopped by Carmel 38 to 25, and the next to St. George 47 to 46 and again to St. Philip 29 to 28. After these beatings they got a fresh start winning five straight games as follows; Rita 51 to 26, De LaSalle 45 to 21, Joliet 47 to 31, Carmel (Our most formidable rival) 29 to 28 and St. George 43 to 32.

The first string team was composed of Tom Ruane, the captain, Ray Egan, who took the high scoring honors of the City Catholic League, Ed Burke, Jim Arneberg with Jackie Schaller and Iggie Chap alternating at the fifth position.

FENWICK TOURNEY WINNER
1941

Basketball Reserves
Intra-mural Senior Heavies
Intra-mural Junior Lights

Basketball Bantams
Intra-mural Junior Heavies
Cheer Leaders

The Reserves, coached by Rev. Br. Finch, did quite well this season. They lost their first game before winning four straight. Their schedule ended with twelve wins against seven losses. Amongst their losses were two defeats by C.C.H.S., and the wins included Mt. Carmel, St. Rita and numerous other teams in the Catholic League. We wish the best of luck to the members of both squads and trust that they will all reach their aim—a place on the Senior Squad. Won 12 games and lost 7 games.

Basketball Reserves

Top row (left to right): T. Delany, P. McGinnis, W. Koloseike, R. Murray, P. Rohan.

Second row (left to right): M. Burns, F. O'Grady, J. Coogan, N. Limperis.

Third row (left to right): F. Phillips, J. Mangan, T. Marsailes, T. McDonald, R. O'Donnell.

Basketball Intra-mural Senior Heavies

Left to Right: C. Buckley, J. Waite, J. Honan, J. Grant, J. O'Halloran, J. Sheeran, M. Cronin, R. Keevers.

Basketball Intra-mural Junior Lights

Left to Right: B. Murphy, R. Barrett, E. Sloyan, R. O'Toole, J. McGovern, E. McGrath, F. Emmet, E. Sink.

Under Br. Finch's able coaching the Bantams have climaxed another amazing season. They dropped their first two games before winning five straight. They, like the Reserves, were whipped by C.C.H.S. Then they started winning games. Out of 26 games they won twenty and lost six. They defeated many high school teams and also the teams of various grade schools. Won 18 games and lost 6 games.

Basketball Bantams

Top row (left to right): R. Malatt, W. Madden, W. Barnes, J. Kilgariff, J. Markey, J. Carlson.

Second row (left to right): J. Malone, T. Nicholson, W. Hill, F. Buttimer, F. Lareau, B. Murphy.

Third row (left to right): R. Kloser, J. McInerney, J. O'Connor, R. Kozlowski, T. McCue, D. Hopfer.

Basketball Intra-mural Junior Heavies

Left to Right: A. Baietto, R. Cruse, J. Walsh, R. Murphy, P. O'Halloran, W. Crawford, P. Connolly, D. Ryan.

Cheer Leaders

Left to Right: A. Dahlke, L. Sayre, J. Spiek, J. Piper, G. Giblin, K. Mueller, J. Burke, J. St. Ville.

'OR SWIMMING SQUAD

. *itting* (left to right): J. Lamkin, G. Truesdale, R. Murray, J. Glynn, T. Godvin (Captain), J. Dineen, F. Hartmann, E. Sweeney.

Standing (left to right): D. Coughlan, H. Downey, T. Kelly, T. Conway, W. Smith, N. Dauphine, A. Ratkovitch, J. Dilger (Manager).

JUNIOR SWIMMING SQUAD

Sitting (left to right): W. Bradshaw, J. Nagle, R. Schultz, T. Hartney, D. Norton, G. McAlpine, P. Ryan, F. Pratt, J. Long, F. Kelly, J. Kelly, J. Clifford.

Standing (left to right): R. Anders, D. Hennessy, W. O'Connell, W. Gately, L. Hogan, R. Petit, J. Ferris, W. Lee, T. O'Brien, L. Krotiak, R. Laspisa, R. Curtis.

SWIMMING TEAM

Under the attentive supervision of Rev. Br. Terry, the swimming team maintained its customary high rating as of previous years. With commendable spirit and fervid determination, the members of the team practiced regularly to improve themselves for the big meets to take place the latter part of April. During this time each member developed himself in one of the many types of swimming, such as: freestyle, backstroke, breaststroke and diving, in order to improve his speed and versatility in the water.

Through graduation this year, the team will lose three major letter men. These are J. Glynn, F. Hartmann and their invaluable captain, T. Godvin. The gap left by the loss of these members will be difficult to fill, but the efficient swimmers on the Junior team will be sufficiently able to take over. Of those returning who will compose the backbone of next year's Senior team, the most promising are W. Murray, J. Dineen, and W. Smith, backstrokers, and E. Sweeney, breaststroker, D. Coughlan and G. Truesdale.

The Junior team, after many months of voluntary and arduous practice, takes its place in competing with Catholic and Public school Junior teams. Invariably in these events the Leo team comes out victorious. The most outstanding swimmers for next year's junior squad are R. Downey and J. Lamkin who will work in the freestyle class, A. Ratkovitch showed great talents as a backstroker. As an outlook for the future swimming teams of Leo, it can readily be surmised that the school will live up to its traditional standard of successes.

FROSH

anding (left to right): R. Schultz, J. Nagle, L. Schindler, Clifford, A. Ratkovich, H. Downey, T. Hartney.

It isn't enough—

for us to be willing to do what we can

It is our duty—

to be prepared to do what is needed to be done!

Thirty-Days FREE Trial

If for any reason, at the end of the thirty-day trial period, you care to withdraw from our college, your tuition will be refunded in full. On the other hand, if your progress isn't satisfactory, you will be required to withdraw and receive full refund.

BUDGET PLAN

Our budget plan (with payments as low as $7.25 per month) offers accepted students the opportunity to pay the greater portion of their tuition payments from their own earnings after we have placed them in their positions. This plan not only relieves the strain on the parental pocketbook but promotes financial responsibility and thrift on the part of the student.

and to EMPLOYERS . . .

Allow us to recommend one of our students to you. In one week you will know if she is entirely satisfactory; if not, discharge her and we will pay that first week's salary.
No charge to Employer or Applicant. *Every Student is a Four-Year High School Graduate.*
